Subject: Authorization for Partial Release of Reclamation Surety, Certificate of Deposit
Steven Gale, Anval 1&2 Mine, S/001/0038, Beaver County, Utah

Dear Ms. Hollingshead,

Utah Independent Bank is presently holding certificate of deposit (CD) [redacted] for the benefit of the State of Utah, Division of Oil, Gas and Mining, and the Bureau of Land Management, as a form of reclamation surety for Steven Gale's Anval 1&2 mine. The Division has verified that reclamation work was satisfactorily completed, and this letter authorizes release of sufficient principal to reduce the face value of the CD to no less than \$500. The Division's records show that both Steven Gale and Rod Green are listed on the CD. We understand an interest penalty may apply for early withdrawal of the certificate.

When this transaction has been completed, please furnish the Division with an amended CD showing the new amount (no less than \$500).

Please contact Paul Baker at 801-538-5261 or Dana Dean at 801-538-5320 if you have questions about this authorization.

Sincerely,

John R. Baza
Director
